products that are currently manufactured at the Saint-Gobain Garden Grove facility that is located at 7301 Orangewood Avenue, Garden Grove, CA 92841, USA.

Products Impacted:

This change impacts only product manufactured by the Saint-Gobain Garden Grove, CA site. The Sani-Tech® Rigid Part Numbers that are purchased by your organization affected by this discontinuation notice are listed in **Attachments 1a, 1b and 2**. **Attachments 1a and 1b** contain the list of parts where Saint-Gobain will accept Last Time Buy purchase orders, subject to change due to capacity constraints and availability or supply (as applicable). **Attachment 2** contains the list of parts where there has been no sales order activity for over three years and will be obsoleted without offering a Last Time Buy.

Change Impact / Risk Assessment:

Saint-Gobain recognizes that product discontinuations impact our customers' business operations. To mitigate supply chain disruption, Saint-Gobain is offering a **Last Time Buy** to allow purchase of parts identified for discontinuation, with allowable order quantities equivalent to at least twelve months of inventory to allow sufficient time for our customers to transition to an alternative supply solution or bring the part to end of life.

Next Steps:

Purchase orders associated with Last Time Buy (LTB) quantities for parts in **Attachment 1a** must be received **within 60 days** from the date of this notification. Saint-Gobain intends to fulfill all Last Time Buy purchase orders for parts in **Attachment 1a** by March 2025 such that the parts can be discontinued six months from the date of this notification.

Purchase orders associated with Last Time Buy quantities for parts in **Attachment 1b** must be received by April 30th, 2025. Saint-Gobain intends to fulfill all Last Time Buy purchase orders for parts in **Attachment 1b** by August 2025 such that the parts can be discontinued ten months from the date of this notification.

Saint-Gobain reserves the right to make changes in confirmed scheduled delivery dates, or to terminate any remaining undelivered quantities at any time due to changes in last time buy manufacturing capabilities, or for commercially impractical circumstances which makes delivery not feasible. During this time of product transfer and product discontinuation, Saint-Gobain will not support any existing scheduled routine audit or future audit requests of the Garden Grove, CA facility and recommend documenting a risk-based approach for any required supplier qualification activities.

Implementation Date: Product Discontinuation will occur March 2025 for parts in Attachment 1a and August 2025 for parts in Attachment 1b.

Action to Take:

- Please provide a purchase order for any part number you would like to purchase as a "Last Time Buy" before **December 9th, 2024** (for parts listed in **Attachment 1a**) and **April 30th, 2025** (for parts listed in **Attachment 1b**).
- Please cancel or discontinue any existing or ongoing efforts to schedule a QMS audit of our Saint-Gobain Garden Grove facility.

Please take this opportunity to contact your respective Customer Service Representative or Business Development Manager should you have any questions / concerns.

Sincerely,

Allison Vereb
BPS Quality Director
